

tesseract_collision
::ConvexDecomposition

```
graph BT; A["tesseract_collision::ConvexDecompositionHACD"] --> B["tesseract_collision::ConvexDecomposition"]
```

The diagram illustrates an inheritance relationship. A light blue box at the top contains the text 'tesseract_collision' followed by '::ConvexDecomposition'. A dark gray box at the bottom contains the text 'tesseract_collision' followed by '::ConvexDecompositionHACD'. A blue arrow points from the bottom box to the top box, indicating that the bottom class inherits from the top class.
