The diagram illustrates a file dependency structure. At the top is a grey box representing a header file: 'tesseract\_kinematics /test/iiwa7\_ikfast\_kinematics.h'. Below it are two white boxes representing source files. The left box is 'tesseract\_kinematics /test/iiwa7\_ikfast\_kinematics.cpp' and the right box is 'tesseract\_kinematics /test/ikfast\_kinematics\_7dof\_unit.cpp'. Two blue arrows point from the source files up to the header file, indicating that both source files include this header.
